Commissioners Ask Why 2 \$6000 Warrants Were Paid and a \$10 One Held up.

Criticised for having approved the two 14600 warrants paid to Turney & Burges for legal work in connection with the Texas-New Mexico boundary suit and with having approved bile for rent for the court of civil appeals, both held to be illegal, county auditor Roy D. Burnium was under fire in the county commissioners' court for fully 10 minutas Tuesday morning.

The matter was brought up through the holding up of a justice of the pence bill for \$19 on the ground that it was illegal. Commissioner J. W. Cross Fire of Questions.

But you held up a justice of the peace bill for \$10, didn't you!" commissioner Walling asked.

"Yes. I did so because I had been informed that it was lilegal!"

But you didn't hold up the two 18000 warrants nor the court of civil appeals bills.

"No. for the reason that I had never heen informed that they were lilegal. Had I been so informed I would have held them up the same as I held up the \$15 bill. The head of this court is a lawyer. I am not. If he thought the high were lilegal, he should have informed me."

"Judge Eylar stated to Mr. Pemdell and myself that the payment of \$12,009 was lilegal," declared Mr. Walling.

"I judge Eylar thought they were illegal, he should have informed me."

Barsum Refuses to Answer.

Commissioner Seth Orndorff asked Mr. Barsum who had informed him that the justice of the peace bill was liegal. Mr. Barnum replied that five or six different persons had told him about it and that he then took it up with the county attorney's office and had been advised to hold if up until the matter could be looked into Mr. Orndorff asked him to name those who had first called his attention to it, but Mr. Barnum refused the information.

"It looks to me as though in pass-Mr. Barnum refused the information.

"It looks to me as though in passing the two 10000 warrants and the court of civil appeals bills without question and holding up this 510 bill authorized by the court, rou are trying to pick filws in the actions of the commissioners' court," declared commissioners' court, declared commissioners' court, declared commissioners' court, declared commissioners' court, and willing for it to stand on its own record."
